Sir:

The Applicant has received the enclosed PTO Notice dated January 8, 2004, informing the Applicant's undersigned representative that his power of attorney as been revoked.

However the undersigned representative has been informed by the Applicant that no revocation has been filed. The Applicant has confirmed that the power of attorney to the undersigned should still be in force. Thus it is believed that the PTO Notice was issued in error.

Accordingly, the PTO is requested to check its records and confirm that the Notice was issued in error.

Respectfully submitted,

Masaaki YOKOYAMA et al.
